

Is My Garden Ready Checklist

- Is the location suitable to growing my choice of plants?
- Do I need more, or less growing space?
- Is the soil ready?
- Are weeds and debris removed?
- Do I need to test the soil?
- What amendments will I need?
- What pest and disease controls am I using?
- Do I need to purchase any?
- Am I ready to irrigate and/or water the garden?
- Do I need shade cloth or insect netting?
- Do I have mulch if I'm using it?
- Are my garden tools ready and clean?
- Is my seed-starting setup ready? (lights, heat mats, growing medium, etc.)
- By what date do I need to purchase seeds and seedlings?
- What is unique about my garden that I need to prepare for?
